

## Notice #2 - Measurement

Dear competitors,

During boat measurement the measurement station 5 (weighing) will be voluntary. During the worlds boats may be randomly chosen for measurement checks. When the weight of a boat is below the minimum, as specified in the class rules, penalty points will be given.

The amount of points is based on the weight of the boat, 1KG is 1 point. Points will be rounded downwards. I.e. 2.5KG too light will be 2 points penalty.

Paul de Groot – Regatta Officer
